Increase in Switzerland-wide presence and strengthening of the organisation

The business activities of VERIT Immobilien AG acquired by Privera on 1 July 2024 have enabled Privera to expand its branch network and strengthen its organisation.

The integration of Verit Immobilien AG's business activities has enabled Privera to expand its branch network from 12 to 17 locations, bringing it even closer to its customers, strengthening its market presence and allowing it to further expand its services. Thanks to the merger, Privera now also has branches in the city of Basel, Zurich-Seefeld, Aarau, Baar, Biel, Chur and Rapperswil.

Following completion of the integration project, Privera now has around 560 specialists from the property sector. The large number of new employees has significantly strengthened the existing organisation's expertise and management skills.
